PRO SE OFFICE

JAMES FISCHER Plaintiff,

2015 SEP 14 P 3: 32

vs.

DEAN ERIC STIGLITZ Defendant

: Case 15cv6266-AJN-AJP

: AFFIRMATION OF SERVICE FOR

: ORDER TO SHOW CAUSE WITH

: TEMPORARY RESTRAINING ORDER

JAMES FISCHER, Plaintiff pro se, affirms the following under penalties of perjury:

I respectfully submit this affirmation in further support of my Motion for a Temporary Restraining Order and Preliminary Injunction:

1. On 9/9/15, the Complaint in this matter was served via personal service on the defendant.
2. Despite email correspondence from an attorney, as of 9/9/15, no defense appearance has been filed, and the correspondence states no intention of filing a defense appearance for another "21 Days". So, the subject motion papers have been sent to the Defendant via both email and Certified Mail with return receipt today, 9/10/15, as he is unrepresented.
3. Also, per Local Civil Rule 7.2, I have emailed to the (apparently) pro se defendant copies of all of the authorities cited in the subject motion, as they may not be available to the general public. (In fact, all are readily found with Google Scholar.)

Dated 09/10/2015

A handwritten signature in black ink, appearing to read "J H Fischer".

Sirs:

I am the plaintiff in 15cv6266.

Pursuant to Magistrate Peck's order 15cv6266 Document 6, I am requesting that you add my phone number and email address to the docket for the case:

Phone number 917-628-4052

Email: james.fischer@gmail.com

The Magistrate did not explain what would happen in the scenario when a litigant had neither a phone, computer, nor email address, but one presumes that this would be rare.

Thanks!

james fischer
